

## Expect More.

With over **3,500** court reporters and transcribers, Capital Reporting Company has served more than **10,000** clients in the fifty states and abroad, including a vast array of federal, state, and local government clients.

We also hold the proud distinction of being the sole provider of court reporting services to the United States Tax Court.

### Trusted Provider

Experience working with hundreds of government agencies gives us a solid understanding of your unique needs. (See back for partial government client list.)

### Privacy & Data Security

Capital is HIPAA, PII & SSAE 16 compliant. Our data security is unmatched in the industry, ensuring that confidential information is safeguarded.

### Online Repository

Access your transcripts, exhibits and scheduling calendar instantly from our client portal. Download transcripts in a variety of formats including ASCII, TextMap™, E-Transcript™ and linked PDF. Transcripts are fully searchable and can be viewed on your mobile device. Create shared case calendars that can be accessed securely by all parties to the case.

### Remote Depositions

Save travel time and expenses by depositing witnesses remotely with our remote deposition technology (powered by Veritext). View all the attendees and share exhibits in realtime with up to 100 participants. Easily connect with just your webcam-equipped laptop or computer with an Internet connection.

### World Class Service

Highly experienced court reporters, legal videographers and interpreters provide quality work, delivered when and where you need it. Around-the-clock client service team and IT support for high-end technologies.

### National Footprint

Our state-of-the-art conference suites are equipped with technology, security, and wireless Internet -- experience seamless coordination of depositions around the corner or around the world.

Capital provides superior court reporting and litigation services to the legal industry. With a proven track record of industry excellence, Capital is the established leader in providing technology-driven deposition and litigation support services to government agencies.
